Staff Perceptions Survey

Staff who taught this year should fill out this form after they have finished teaching their curriculum (e.g. after teaching the last lesson). Your feedback on program challenges and needs for technical assistance would be greatly appreciated and your participation is completely voluntary.

Implementation Partner Name	Curriculum	Dates of Implementation

1. To what extent was each of the following challenges a problem that affected your ability to teach the curriculum successfully? *Please circle one answer for each statement.*

Implementation Challenges	Not a Problem	Somewhat a Problem	A Serious Problem
A. Recruiting youth	1	2	3
